WE HAVE SEVERAL ONLINE OPTIONS TO FIT YOUR NEED. We offer rentals with supply packages for each of the student provided instruments as well as complete supply packages for school owned instruments. Whatever your needs, we have the flexibility to make it simple and easy. Please don't hesitate to contact us if you need assistance with any part of the application.

WE MAKE SURE YOUR STUDENT IS SET UP FOR SUCCESS! We work closely with your directors to ensure that each supply package has all the necessary, and correct items for each instrument.

WE OFFER NEW AND PRE-OWNED INSTRUMENTS. Don't wait! Gently Used and Used instruments are in high demand and go fast. *It's very important to reserve your instrument early if you want to take advantage of the lower monthly prices on used instruments.*

WHAT IF SOMETHING BREAKS? Each rental contract comes with a maintenance and repair agreement. If something goes wrong with the instrument, we will pick it up, repair it, and deliver it back to the school. The agreement does not cover loss, theft, or abuse.

WORRY FREE RENTALS! Rental contracts are month-to-month and can be cancelled at anytime with no penalty after the first 3 months. The automatic monthly payment includes the base rental, plus maintenance, plus tax. A credit inquiry is required for approval of the rental application.

WHAT IF I WANT TO PURCHASE THE INSTRUMENT? 100% of the base rental paid each month can be applied to the purchase. Ownership is transferred to the customer once the full payment amount has been received.

NO UNNECESSARY TRIPS! All instruments and supplies will be delivered to the student's school. In some cases, it may be several days into the school year before the student receives their items. Please check with your directors about their timeline for distribution.
