

China Spring Band Boosters

Volunteer Form 2022-2023

The China Spring Band Boosters is a parent-run organization supported primarily by volunteers. Our purpose is to promote the musical interests of the students, to assist the school district in financing the needs of the band program, and to support and boost the morale of the student members of all bands.

Your time, gifts, and talents are very much appreciated in everything we do. We encourage you to participate in any of the following activities to support the band program. Background checks are **required** by CSISD. Please go to www.cscougarband.com and click on the Boosters tab and the link to the form is on the page. This form **must** be approved by the Administration Office before you are able to work with our students. You can take the completed form to the Administration Office or e-mail it. We ask that you submit the form as soon as possible.

From the list below, please check the area(s) in which you would like to volunteer your help. You may **email** this form to CSBBvolunteers@gmail.com or place it in the Band Booster's Drop Box in the HS or MS Band Hall.
