

# China Spring Band Boosters

## Membership Form 2022-2023

Welcome to the China Spring Band Boosters! We'd love to have you join us in supporting our award-winning Cougar Band, in grades 6 through 12. Our band needs talented, hardworking people, like **you**, to help us achieve their goals! We are excited to offer several different levels of membership for individuals, families, and businesses. Please review the levels below to decide which one best fits your current needs.

Each family joins only once annually, no matter how many students they have in the band program or what grades in school. We'd encourage you to bring your form and payment to one of our upcoming Booster meetings to check out our organization. \* Our next two meetings will be held on Tue., Aug. 16h, and Tue., Sept 13th at 7:15 pm. Thereafter, we generally meet on the second Tuesday of each month.

**SPECIAL NOTE FOR SENIOR PARENTS:** Membership is required by Sat., Dec. 17th, 2022, to apply for a Band Booster Scholarship for college.
